Canine Advocates of Newtown, Inc
A 501(c)(3) nonprofit group of dedicated volunteers who since 1999 have provided daily walks and socialization for dogs at the Newtown Pound. Canine Advocates of Newtown was instrumental in building the new town shelter named The Brian J. Silverlieb Animal Care and Control Center of Newtown. The group's goal is to help all dogs and cats at the shelter find loving homes, and to this end, the dogs and cats are publicized on line at www.canineadvocates.org and www.petfnder.com. *The Newtown Bee* and Voices also offer support by publicizing our shelter animals. The Sonny Fund, which was established to remember or celebrate a loved one or a beloved pet, continues to help provide for the needs of the cats and dogs as they await their forever homes. CAN members also talk to children's groups about proper dog care, help with private adoptions, and provide counseling for a variety of dog-related issues. New volunteers, 18 and over, are always welcome. There's a place within Newtown that is a place apart. Nestled along the Pootatuck River, it is a village called Sandy Hook. We began with saw and gristmills that provided the timber to build this town. We grew as a place tightly bound as a community. Sandy Hook Village is a place where an easy stroll along the street brings you to a gathering of unique shops and restaurants.

SANDY HOOK Village

We are a place where the meander of the river creates spots to relax and reflect. We are a place where families come to celebrate and have fun. We are a place that is unique unto ourselves and yet familiar to those who know what a true community is. Stop off for a bite to eat or check out the other stores our neighborhood has to offer.

CLUBS & ORGANIZATIONS

(continued from page 38)

photo bank, Darrell Harrington; webmaster, Chane Cullens. Flagpole Photographers is a nonprofit club founded in 1985, Flagpole Photographers' mission is to enable members to share their images and expertise. And to learn and grow in their photography through workshops, monthly meetings, field trips, and enjoy the camaraderie of fellow photographers. Members come from diverse backgrounds, with photographic skills ranging from novices to professional photographers. The season runs September through June, and meetings are on two Thursday nights per month at the Newtown Senior Center, 14 River Road in Sandy Hook, starting at 7:30 pm. The club holds two exhibitions a year at the C.H. Booth Library in the spring and at the Newtown Municipal Center in the fall. Membership is $35 annually, $55 family, free to students; and is open to anyone with an interest in photography, regardless of level of experience. For more information contact infor@flagpolephotographers.com. Additional club information, including calendar of events, member galleries, and workshop information, can be found at www.flagpolephotographers.com.

Friends of the C.H. Booth Library
President, Jim Maher; vice president, pending; treasurer, Cathy Hickey-Williams; secretary, Claudia Dapp. Mailing address is 25 Main Street. Friends of the C.H. Booth Library is a nonprofit volunteer group that supports Newtown's Cyrenius H. Booth Library through a variety of fundraising, cultural, and educational activities. Every summer, the Friends holds one of the region's largest book sales, at the Reed Intermediate School on Trades Lane, featuring more than 100,000 books for all ages and interests, including rare and collectible items, media, software, and LP records. **The 42nd Annual Book Sale takes place Saturday, July 8, to Wednesday, July 12, 2017.** The Friends also sponsors The Little Book Store, located on the main level of the library, where new and like-new used books are sold at greatly reduced prices. Volunteers can join in the fun by helping to sort and price books throughout the year, or by assisting during the sale. Donations of books, software, CDs, DVDs, and recorded music, all in good condition, may be dropped off at the library or at the Friends' trailer at the town Transfer Station. Newtown Centre of Classical Ballet & Voice
The Newtown Centre of Classical Ballet was founded in 2001 by Jennifer Johnston, carrying on the heritage of her mentor, Marsha Ismailoff Mark, who taught classical ballet in Newtown for more than 30 years. Now in its third generation, the school's tradition continues with artistic director Tory Gozzi, Ms Johnston's protégé. This past year, the school expanded to include a voice division. The ballet school utilizes the Russian Vaganova Method as well as the American Ballet Theatre's National Training Curriculum, while the voice portion incorporates Bel Canto and CCM contemporary techniques to offer healthy instruction to singers of all genres. The school presents not-for-profit ballet performances throughout the year for schools, nursing homes, arts festivals, and fundraisers, as well as its annual presentation of the *Nutcracker Suite* as part of the Holiday Festival and an annual spring production of a full-length classical ballet open to the community. The voice division serves to coach singers participating in local productions and generates live and recorded projects with students throughout the year. Joey Newton, Pastor
The people and ministry of Newtown Bible Church are committed to the pursuit of loving God and others. Our pursuit of loving God is centered on knowing Him as He is revealed through the pages of Scripture and ultimately in the Person of Jesus Christ. Our pursuit of loving others is through a life lived in response to the Spirit's work through the Word enabling us to fulfill — imperfectly but progressing — God's "one another" commands in the Bible. Our great end is that God would be glorified in and through His people (Luke 24:44-45; John 1:18; 17:3; 1 Cor. 10:31; 15:3-4; Col. 3:5-17).
Sunday services begin at 9:45 with Sunday School classes for all ages. The main service begins at 10:45. Child care is available. Please contact the church by phone or e-mail, or visit the website for information regarding various ministries or questions regarding the Bible, or the good news of forgiveness and eternal life in Jesus Christ (John 3:14-21).

Newtown Congregational Church (NCC) has listened to God speak through worship, biblical studies, prayer, and service to others for more than 300 years. Today, "God is Still Speaking" and we are still listening. We gather at 10 am on Sunday mornings to open ourselves to God's leadings and discover what it means to be Christ's followers. NCC has a passion for Christian nurture, ministry, relationship building, and social connection for all people of all ages. No matter who you are or where you are on life's journey, you are welcome here. Child care is offered for infants through age 3 during worship services and pagers are available. Children and youth from preschool through twelfth grade are offered a scripture-based learning environment with a variety of experiences throughout each month; first Sundays are pangenerational, third Sundays are Small Chapel with musical highlights, second and fourth Sundays are Church School, and when there is a fifth Sunday it is a special activity. Youth Programs include Junior and Senior Youth Groups, The Gathering (Senior High Sunday morning program), Confirmation class (yearlong ninth grade), and annual service trips. Adult Small Groups consist of women's and men's fellowships, Bible and book studies, prayer and meditation groups, out-of-area service trips and local projects, outreach ministries, and choir. NCC also hosts intergenerational dinners, breakfasts, and special events. The Cornerstone outreach thrift ministry offers gently used clothing, jewelry, toys, books, and household items. The entire church is handicap accessible and is filled with helpful people if assistance is desired. We invite you to follow us on Facebook (Newtown Congregational Church, UCC) or twitter (@ChurchOfNewtown), as well as join us for Sunday worship.

NEWTOWN HEALTH DISTRICT

Board of Directors: Dr Robert Grossman, Joan Crick, William Begg, MD, Bernie Meehan (Roxbury), Curtis Read (Bridgewater), Herb Rosenthal, Rev David Peters (alt), Anne Marie Lindblom (alt). Unsalaried.
Medical Advisor & Associate Director of Health: Thomas F. Draper, MD. Salaried; $10,042.
Director of Health/Deputy Director of Emergency Management: Donna M. Culbert. Salaried; $93,550.
For information, call 203-270-4291 or send e-mail to donna.culbert@newtown-ct.gov

An independent Health District was formed in 1994 to serve both the Town and Borough of Newtown. On January 1, 2006, the towns of Roxbury and Bridgewater folded their respective part-time health department offices into a regional entity still known as Newtown Health District.

The agency is controlled by a six-member board, which consists of four members appointed by the Board of Selectmen with input from the Borough of Newtown's warden and burgesses, and one additional member assigned to represent each of the two new member communities. Members serve for three-year terms.

The Health District's mission is to promote and to protect the physical and environmental well-being of the citizens of the Newtown Health District through the provision of wellness- and health-promotion programs, the active support of community efforts and collaboration with community partners, and the enforcement of public health laws and regulations. The Health District reviews plans for, issues permits to construct, and inspects new and repaired septic systems. It reviews permit applications and issues approvals for water supply well drilling. It reviews plans, issues licenses, and inspects food service establishments (delis, restaurants, schools, grocery stores, etc). It reviews and signs-off on building permits for any/all proposed work to ensure compliance with Connecticut Public Health Code.

The Health District investigates complaints (wastewater, pollution, housing, potential vermin, etc). It provides surveillance and follow-up on reportable communicable diseases (i.e., tuberculosis, salmonella, E. coli) that could have public health implications. It promotes health education on such relevant local issues such as tickborne disease prevention, physical activity and nutrition, and influenza prevention. It participates in local and regional public health emergency preparedness planning, exercises, and evaluation. The district hosts an annual Health Fair each September.

The district employs a full-time salaried director of health, who oversees a staff of sanitarians and health inspectors. The director also serves as the town's deputy director of emergency management and coordinates actively with the emergency management director on all related issues.
